*Accident Plans ~ Cancer Plans*

*Heart-Stroke Plan ~ Critical Illness*

Dear Employer,

Allstate Insurance Company has a division titled Allstate Workplace that specializes in supplemental benefits for your employees. These benefits are accident plans, cancer plans, supplemental health options, heart-stroke plan, critical illness and life insurance plans. The ***Good News*** is it ***costs you the employer nothing!***

These plans ***will help broaden your benefit program for your employees,*** with no additional cost to you. The health portion of these ***plans are pre-taxed*** under the section 125 rule, which ***will help reduce your payroll taxes and increase your employees net take home pay.***

These benefits are available through Consumer Select Insurance of America for our clients; and we would like the opportunity to meet with you to further discuss these valuable benefits. Also enclosed are common questions and answers that are frequently asked. Please review these valuable benefits and call 866-320-4274 ext. 302 if you have any questions.

Respectfully,

Consumer Select Insurance of America
